

THE REIGN OF THE HEAVENS

TO THE ECONOMIC AND SOCIAL COUNCIL

- This presentation is hereby offered to the Economic and Social Council for the Councils consideration in acknowledging the potential benefits of the reign of the heavens as a nation and the reign of the heavens society as an NGO. The Citizens of reign of the heavens await with anticipation favorable acceptance and look forward to being able to assist the Economic and Social Council in the accomplishment of its mission after reviewing this presentation.

PROFILE

- The reign of the heavens has a very unique history and beginning. It was only when the Citizens of the reign of the heavens found the true history of The United States of America, 1781 Confederacy, was the reign of the heavens realized and re-discovered.

POINTS OF INTEREST

- The only way to discover the true history of The United States of America and its Declaration of Independence is to pay particular attention to the names of the entities and how they change.
- The first entity in the Declaration of Independence, 1776 was “thirteen united States of America”. In the same document it was changed to “the united States of America”. The change was never noted in the Declaration of Independence with the words: “as amended”. So there were two countries started within the same document.

POINTS OF INTEREST

- Furthermore, when you look at the Articles of Confederation, 1781, you will notice that a third country was formed Styled “The United States of America”. The words “as amended” was not placed in that document. Therefore, The United States of America did not have a Declaration of Independence, and the Declaration of Independence did not have a Constitution nor an Articles of Confederation, so the Independence remained with the 13 States without a way to establish Commerce and Trade with other countries whereas each Independent State relied upon the Confederacy for its Trade and Commerce. England took advantage of this oversight through the bank Institutions while the 13 States overlooked the general post office as their way of resolving the conflict.

POINTS OF INTEREST

- We can find the interference by England in a particular document called the Treaty of Paris, 1783. Although it appeared that the Treaty was by and between two independent countries. The Treaty was in fact a Treaty between England and a Commercial Military entity called “the United States of North America” and “the United States of America” created as a temporary government by The United States of America through a North West Ordinance. The Temporary government was actually intended to remain under the rule of England perpetually. How is this proven?

POINTS OF INTEREST

- Here is a quote from the Treaty of Paris, 1783:
- “between his Britannic Majesty and the United States of North America” from: “Declarations for Suspension of Arms and Cessation of Hostilities, signed at Versailles January 20, 1783. Both original declarations in French, and American declaration also in English”. The United States of America was never mentioned in any of the documents between the years of 1782 and 1784 in the formation of the Treaty of Paris, 1783.

POINTS OF INTEREST

- Here is another quote from the British-American Diplomacy Declaration Signed by the American Commissioners - February 20, 1783. Quote: Whereas, for putting an End to the Calamity of War, as soon and as far as possible, it hath been agreed, between the King of Great Britain, his most Christian Majesty, the King of Spain, the States General of the United Provinces and the United States of America as follows, that is to say: end quote

THE SO-CALLED “CONSTITUTIONAL CONVENTION”

- The Definitive Treaty of Peace 1783
- Benjamin Franklin, Esqr., late delegate in Congress from the state of Pennsylvania, president of the convention of the said state, and minister plenipotentiary from **the United States of America** at the court of Versailles
- In the 1789 Constitution, the term “the United States of America” is there and still remains today. The Citizens of the reign of the heavens maintain the claim that “the United States of America” entity, as written in the Treaty of Paris, 1783, according to the history books, was not supposed to exist for another 6 years. Therefore, The United States of America stands as an Independent Inter-Governmental Organization from 1781 to 2012, and has been claimed by the general post office and re-formed into an Independent Nation.

THE SO-CALLED “CONSTITUTIONAL CONVENTION”

- The Constitutional Convention was merely intended to split the titles to the territory of The United States of America in half so England could resume its tyranny uninterrupted against the settlers on North America even though General Corn Wallis had surrendered his sword to the Confederacy. Around the world today countries believe that “the United States of America” is the name of the country even though the same families, 200 years later are attempting to claim the name of the country as being the “United States” or the “U.S.”

HERE ARE THE FACTS AND CONDITIONS TODAY IN AMERICA.

- All of the States have been converted to “judicial districts of the United States” without a vote of the people. In 1871, the citizens of the United States of the United States of America, started a corporation and operate through that entity in the District of Columbia oppressing millions of resident aliens that think they are Citizens. The citizens or Citizens of the United States are very few in number and continually convene the 1789 entity to pass various acts for themselves and continue to block many other families from any type of status other than “resident alien”, therefore silencing their voices from expressing any legal objections toward the actions of the citizens of the United States and their fortune 500 corporations and various trusts. The citizens of the United States even made themselves so-called perpetual creditors of the resident aliens passing all of the Bills owed by the citizens of the United States onto other families with the status of “resident aliens” with no way to change that status until now.

EVIDENCE THAT THE CITIZENS OF THE UNITED STATES STILL CONVENE THE 1789 ENTITY WITHOUT THE KNOWLEDGE OF THE PEOPLE.

Please pay particular attention to the entity pointed out by the blue arrow. This same entity is convened today and the conditions for citizen have never changed. Notice the year to the right.

CHAP. III.—*An Act to establish an uniform Rule of Naturalization.*(a)

SECTION I. *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That any alien, being a free white person, who shall have resided within the limits and under the jurisdiction of the United States for the term of two years, may be admitted to become a citizen thereof, on application to any common law court of record, in any one of the states wherein he shall have resided for the term of one year at least, and making proof to the satisfaction of such court, that he is a person of good character, and taking the oath or affirmation prescribed by law, to support the constitution of the United States, which oath or affirmation such court shall administer; and the clerk of such court shall record such application, and the pro-

EVIDENCE THAT THE CITIZENS OF THE UNITED STATES STILL CONVENE THE 1789 ENTITY WITHOUT THE KNOWLEDGE OF THE PEOPLE.

Again, please notice the year to the right and the entity pointed out with the arrow. The people are obviously not included in this particular temporary government and therefore left stateless with no standing to change anything affecting the rest of the world nor hold the citizens of the United States accountable for war crimes and crimes against humanity. The citizens of the United States, have made sure that no common law court exists within the States so the people have the opportunity to change their statuses The citizens of the United States have eliminated any witness against them until now.

TRYING TO RULE THE WORLD

- That is six slides of companies that are continually trespassing within the borders of many countries around the world. Those countries cannot understand why the people in America cannot stop the tyranny. The people in America with the status of resident alien and considered dead on court records are being blamed for the actions of a few without anyway of stopping the oppression and tyranny in a peaceful manner.

CONSIDERED DEAD ON COURT RECORDS

- Attached to this presentation is evidence of the actions of the citizens of the United States called:
Executor_IRS_DECEASE_ESTATE_ENTITY
- This document is currently in the Communications Register of the Office of the prosecutor at the Hague. We are hoping that something can be done about the massive theft that is continually being perpetrated against the people in America, so the people in America have the ability to STOP THE THEFT GOING ON AROUND THE WORLD!

THE GENERAL POSTAL UNION TREATY OF 1874

- The Citizens of the reign of the heavens also found another fraud against The United States of America. It is found in the General Postal Union Treaty of 1874 where the citizens of the United States were not invited to that treaty signing, so the Citizens of the reign of the heavens, also known as American Nationals resolved that conflict in the document attached to this presentation called: UPU-Treaty

REIGN OF THE HEAVENS

- The reign of the heavens was re-discovered by the Citizens of the reign of the heavens without intending to find the country. For with the experience gained building and re-building Nations, the country was re-discovered one day about a year ago by reading the Book of Matthew in the New Testament of a Book called the Scriptures, not the King James version.

REIGN OF THE HEAVENS

- Knowing the proper steps in forming a nation, the steps were clearly written in the Scriptures and the correct entity for a nation that was formed over two thousand years ago on behalf of the gentiles for the completion of the gentile covenant. The Citizens of the reign of the heavens are gentiles. The evidence is clearly marked on the next slide. The reign of the heavens is a nation building nation, and the reign of the heavens represents the Citizens thereof.

REIGN OF THE HEAVENS

- ¹³And leaving Natsareth, He came and dwelt in Kephar Nahum, which is by the sea, in the borders of Zebulun and Naphtali, ¹⁴to fill what was spoken by Yeshayahu the prophet, saying, ¹⁵“Land of Zebulun and land of Naphtali, the way of the sea, beyond the Yarden, Galil of the gentiles -
¹⁶the people who sat in darkness saw a great light, and upon those who sat in the land and shadow of death, light arose to them.”ⁱ ¹⁷From that time began to proclaim and to say, “Repent, for the **reign of the heavens** has drawn near.”

REIGN OF THE HEAVENS

- ¹³And leaving Natsareth, He came and dwelt in Kephah Nahum, which is by the sea, in the borders of Zebulun and Naphtali, ¹⁴to fill what was spoken by Yeshayahu the prophet, saying, ¹⁵“Land of Zebulun and land of Naphtali,
- The survey for the reign of the heavens is marked on page 9 of the document attached called: “Anointed-Ruler-of-the-reign-of-the-heavens-International-Notice”. That document has been sent to the Permanent bureau on private international law as all documents have that are attached to this presentation.

REIGN OF THE HEAVENS SOCIETY

- The reign of the heavens society was formed by the Citizens of the reign of the heavens as a nation building or re-building society. Its main purpose is to form or re-build Independent Nations and States. The Citizens of the reign of the heavens firmly believe in the right of self determination, freedom, free markets and equitable International Trade. There is a solid plan in place for all nations of the world to recover from the tyranny of the citizens of the United States and other cooperating countries in such tyranny.

WORKING TOGETHER

- In order for any plan to work, WE must all work together, acknowledge our differences, weaknesses and strengths. This is why the presentation has been sent to the Economic and Social Council. The main focus of the Citizens of the reign of the heavens are as follows:
- Family Issues
- The equality of Men and Women as is the law of our flag
- Human trafficking, exploitation of people within the Criminal Justice system,
- Racketeering
- Crime prevention
- Assemble a National Disaster team for
- global and domestic...Crisis intervention if so requested
- land protection by way of restoring land titles and proper statuses.
- Water waste...Air quality
- Trespassing by Chemtrails and misuse of weather modification technology being used as weapons such as dustification for the purpose of hiding evidence in large scale attacks against sovereign countries.

ASSISTANCE

- As the Council can see that the Citizens of the reign of the heavens have been operating on a complete voluntary status. In the forming and re-forming of Nations, not one dime spent on these projects have ever come from illegal sources. All projects have come from the hearts of the Citizens of the reign of the heavens. The Citizens of the reign of the heavens all think way outside the box and have cutting edge programs in place that will resolved many problems facing the Council today.

TO THE COUNCIL

- The Citizens of the reign of the heavens are ready to present all of the plans that are on the cutting edge in dealing with social, family, economic, and hunger issues including the purification of water, aquaponics, cheap free energy devices. The Citizens of the reign of the heavens have the ability to reverse hunger, energy and economic problems with the proper cooperation from the afflicted within a very short period of time. The economic process of the reign of the heavens has already been tested and proven to work in Haiti. This can be reviewed in the document attached called:
- banking_with_mobile_phones The General Post Exchange is already up and operational with a currency called the “Coubitt”.

THE ROH TRUST

- ◎ The Citizens of the reign of the heavens have formed the ROH Trust in the form of a Treaty Trust. The basic premise of the ROH Trust is to separate the resident aliens, their property and titles from the citizens of the United States and their banking tyranny. The ROH Trust can be reviewed by the Council in the document attached called: “The ROH Trust” along with the Articles of Confederation, as amended, May 19th, 2013.

THE CITIZENS

- ◎ The Council and the whole world can be assured that the Citizens of the reign of the heavens took all of the proper steps as instructed within the Book of Matthew and have no intentions of acting hostile toward any sovereign nation. True gentiles do not act childish. We are a proud people and proud of our Sovereign. We are thankful to yahushua and Mary Magdalene for the sacrifices that they made to redeem our people, the gentiles, and are willing to share those blessings with the whole world. The gentile people are problem solvers, inventors, and creators. It is time that we all worked together for change. We simply have to stop killing each other and grow up. Responsibility and liability should not be completely avoided by the powerful. This world can be heaven or hell, the change comes from within.
- ◎ Thank you for the Councils time and attention.
